## **MAXIMUM PERFORMANCE ADDS PHYSICAL THERAPIST**

Lynn Hendricks has joined the physical therapy team at Maximum Performance.

Hendricks graduated from Siena Heights University with a bachelor's degree in psychology in 2015 and with a doctorate in physical therapy from the University of Dayton in 2018. After graduation, she completed a sports medicine residency with the University of Michigan MedSport and specialized in treating athletes. She has also completed her level one CrossFit certification. Additionally, she has interest in treating women's health and post-operative abdominal surgery patients.

"I am looking forward to joining the team at Maximum Performance to work alongside very talented co-workers, and for a company who prioritized providing the best quality patient care possible", Hendricks said.

Originally from Ann Arbor, Michigan, Hendricks recently moved to Manhattan where her husband, Matt, was relocated for Fort Riley, as an active duty member of the U.S. Army.
